Team Formation:

Teams are formed by the following three criteria, in this order.

(1) Gender/Grade (2) School Currently Attending (3) One Friend Match.

When necessary, PAA/Youth will mix players from several geographical locations when other school area teams are full, or there is abundance of late sign ups. Every attempt will be made to place every player on a team.

Special cost considerations/ equipment needs:

PAA Jersey is required. Team hats, baseball uniform pants and socks are optional and are not required by league rules. Some teams purchase team hats as part of their uniform. An all-purpose turf shoe is strongly recommended, however no metal cleats are permitted. (except in the 7/8 grade leagues).

Team Organizer:

Organize the teams for a specific league and recruit coaches if needed. Serve on specific sports committees. These individuals are critical in the team formation process. If you are interesting in helping us with this, please contact us ASAP at 858 7678.

Coaches:

All coaches are certified by the National Youth Sports Coaches Assn (NYSCA). These clinics emphasize the importance of a quality youth sports program through proper coaching techniques and commitment to youth. Asst. coaches may also attend these certification clinics. An additional techniques clinic may be held during the preseason. Attendance at the NYSCA clinic is required, and clinic fees are paid by PAA/Youth as long as you are coaching in PAA/Youth programs. Those signing up to coach will be notified about the NYSCA dates.
